Re: Follow-up to the Request for Information Pursuant to Section 104 of CERCLA for the IWI Inc. Site in Summit, Illinois

Dear Sir:

On September 9, 2003, the United States Environmental Protection Agency (U.S. EPA) issued an information request to you pursuant to Section 104(e) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) as amended, 42 U.S.C. §9604(e). The information request was sent by certified mail on September 11, 2004. This information request required you to provide certain documents and information within 30 days of your receipt of the letter.

Although the deadline for the information request's response has passed, U.S. EPA has not received any response from you. U.S. EPA therefore requests that you comply immediately with that information request. You may, if you desire, assert a business confidentiality claim covering part or all of the information requested, in the manner described by 40 CFR 2.203 (b). Information covered by such a claim will be disclosed by U.S. EPA only to the extent, and only by means of the procedures, provided in 40 CFR Part 2, Subpart B. If no such claim accompanies the information when it is received by U.S. EPA, it may be made available to the public by U.S. EPA without further notice.

Continued failure to comply with U.S. EPA's information request, or to adequately justify such failure to respond, may subject to an enforcement action seeking to compel compliance and collect penalties of up to \$32,500 per day of noncompliance pursuant to Section 104(e)(5) of CERCLA, 42 U.S.C. §9604(e)(5) and as adjusted by 69 Fed. Reg. 7121-27 (Feb. 13, 2004) (codified at 40

C.F.R. § 19.4) pursuant to the Debt Collection Improvement Act of 1996. U.S. EPA has the authority to use the information requested herein in an administrative, civil, or criminal action.

Please contact Mr. Jerome Kujawa, Assistant Regional Counsel, at (312) 886-6731, if you have any legal questions regarding this matter. All other questions should be directed to Mrs. Mila V. Bensing, Enforcement Specialist, Emergency Enforcement Support Section, at (312) 353-2006.

Sincerely yours,
